GREATER THAN OR LESS THAN

An alligator always faces the side where there are more apples. Look at the shape of the mouth. The mouth opens wide towards the bigger number.

Compare the below numbers and write greater than $>$, less than $<$, or equal to $=$ sign in the given box. Think about this. "What will the alligator do? Which side will it open its mouth?"

$10 \quad \square \quad 16$

$18 \quad \square \quad 44$

$23 \quad \square \quad 34$

$45 \quad \square \quad 38$

$17 \quad \square \quad 9$

$20 \quad \square \quad 30$

$33 \quad \square \quad 33$

$25 \quad \square \quad 14$

$41 \quad \square \quad 12$

$48 \quad \square \quad 11$

$36 \quad \square \quad 22$

$31 \quad \square \quad 31$
